

## PROFILE

---

I am a self-motivated student pursuing a degree in Information Technology and I am passionate about entering the IT sector. My academic background has equipped me with strong skills in Website development, critical thinking and logic, and customer service. I am recognized for my excellent communication, supervisory, and interpersonal abilities and I am adept at building enthusiastic teams and achieving exceptional results. I excel in competitive, efficient, and quality-driven environments and I am eager to leverage my skills and education to drive innovation and deliver outstanding results in the Technology industry.
